MOBIpeople Explorer 360

MOBIpeople was founded in 2008 by Antonio Catarino and his team. Located in Coimbra, Portugal, MOBIpeople has developed a varied portfolio as a result of its constant search for niche markets.

Since its UK launch with BASE in 2014, MOBIpeople has seen continual growth and has established itself as the practical, innovative answer to certain parts of the UK coach market. Specialising in the production and repair of coaches and buses, the MOBIpeople management team offers many years of experience, allowing them to provide you with a unique product and excellent service.

Order your new MOBIpeople today for a low cost Euro 6 solution.
